**Public Comments:** None

**Minutes from last meeting approved**

**PFA Report:**

Update given on PFA events

**DAC Report:**

1. AS OF THIS SCHOOL YEAR, 9% OF TOTAL CVUSD ENROLLMENT IS IDENTIFIED AS GATE
2. The African American DAC (AADAC) reported that 1.5% of the student population identify as Black, not including students that identify as bi-racial or multi-racial which would bump that percentage up. Of the over 800 teachers in our district, only 8 identify as Black. AADAC is working closely with the district to identify hiring strategies to ensure our students see themselves reflected demographically in their educators.
3. CVUSD is working closely with the City of Thousand Oaks and CRPD to open some of our campuses for off hours community use
4. Families can still submit School Choice applications. Because the deadline has passed, applications will be looked at on a case by case basis.

## Meeting Minutes

5. To continue to support our students' success and address learning loss due to the pandemic, many resources are being offered to all students: If your child needs additional support please connect with their teacher.

6. The Thousand Oaks Library ([www.tolibrary.org](http://www.tolibrary.org)) has a new app available to download. The app allows users to access all of the library resources – specifically a link to a student page with access to on-line resources, information on up-coming events as well as available free tutoring.

There are no more late fines associated with checked out material.

**\*\*All CVUSD students are automatically linked to SORA through their Canvas accounts. SORA is a direct link to most library resources including e-books, audio books, music and more!\*\***

### **SEDAC Report:**

TO LIBRARY-- The TO Library shared some incredible opportunities at the library including Homework help and Reading Buddies. Please see the attached document for the full report.

SELPA/CAC--Ventura County SELPA gave an informative update with several opportunities for parents such as a conference to learn how to navigate the IEP process.

CAC March Newsletter (English): <https://www.smores.com/tnxm7>

CAC March Newsletter (Spanish): <https://www.smores.com/1hsgw>

INCLUSION TOSA-- Inclusion specialist April Vasquez joined our meeting. She gave a presentation to introduce herself, share her educational background and experience, and described her roll in CVUSD.

SPECIAL EDUCATION STAFFING PRESENTATION BY HR--Jeanne Valentine (Assistant Superintendent, Human Resources) and Marina Mihalevsky (Director, Classified Human Resources) gave a presentation on Special Education staffing and how they are working to fill the vacancies.

Below is a link to the Inclusion TOSA presentation and the HR presentation.

### **ELAC Report:**

COVID 19 Update by Gary Bradbury

Student who was exposed to a person infected by Covid 19 does not have to quarantine anymore:

## Meeting Minutes

- Can stay on campus if he shows no symptoms and tests negative
- Required to wear a mask on campus
- Test on day 3 and day 5 after exposure

No news on vaccination requirement for next school year

Presentation: Newcomer Academy Program

- A Newcomer is a student who is in this country for 2 or less years
- They get support not only in language, but also in culture
- This service is available for max 5 years
- This school year we have 42 newcomer in the district on High school level - 23 of those students go to the Academy
- Not only the student but also their families get support in housing, medical support, academically, social emotional etc
- Also support in preparing for college applications
- Free tutoring services
- Offer social events

Presentation: Moorpark College

Moorpark College offers a lot of programs and services for English learners.

- If you are enrolled in Moorpark College you can also choose classes from Ventura College, Oxnard College and Oxnard College
- California Dream Act - if you apply for it college will be free for 2 years, it doesn't matter how much money the family makes
- You can qualify if you have been a California resident for at least 3 years
- EOPS - is a program for 1st generation students to pay for books and school materials
- Raider Central - store with free food for students and their families of Moorpark College
- Special services for IEP and 504 students
- You can transfer to most UC colleges

**GATE Report:**

No report

**AACAP Report:**

No report

**Unfinished Business:**

None

**New Business:**

## Meeting Minutes

Mrs. Culpepper presents SPSA GOALS, followed by a discussion about what we are already doing to reach these goals and new ideas for how to reach them:

GOAL 1 - 80% of students in grades TK-5th demonstrate mastery on summative assessments in English Language Arts

ideas: of school wide reading contest with incentives, book club

GOAL 2 - 80% of students in grades TK-5th demonstrate mastery on summative assessments in Math

ideas: after school homework club, making sure parents know about all the platforms available to use at home

GOAL 3 - 100% Positive Student Interaction

ideas: create other options at recess like an art table, create a buddy bench

GOAL 4 - 95% Positive Parent Interaction

ideas: improve upon orientation - liz cahill will meet with mrs. culpepper about this

GOAL 5 - Learning Loss due to School Closures

continue with interventionists

Many more details are included in the actual report, which is a living document that we will vote on in the Fall. Please continue bringing ideas to Mrs. Culpepper!

**Meeting adjourned at 4:10pm**
