Nutrition Education and Obesity Prevention Program (NEOP)

Join the Movement!

The Nutrition Education and Obesity Prevention (NEOP) Program offers a variety of nutrition education and physical activity opportunities and resources for community members and service providers.

Our mission is to educate and empower community members to increase fruit and vegetable consumption, physical activity, and food security with the goal of preventing obesity and other diet related chronic diseases.

Our **FREE** services include:

- Nutrition Class Series
- One-time Nutrition Lesson
- Physical Activity Education & Promotion
- Food Demonstrations & Taste Testing
- Garden-Based Nutrition Education
- Early Childhood Education
- School & Afterschool Program Education
- Youth Education
- Rethink Your Drink Education
- Train-the-Trainer Workshops
- Technical Assistance and Resources for walking clubs, community gardens and more!
