

## Sequoia Middle School School Supply Donation List

*These supplies will help support students during the school year. California law guarantees students a public education free of charge, and all materials, supplies, and equipment necessary for class will be provided without charge. We may ask for donations of materials and supplies, but all donations are strictly voluntary. However, parent support in this regard allows our school budgets to be used for additional instructional materials. We have also found that students often take better care of materials when they have been brought from home. Please contact an administrator at our school if you have any questions or concerns about school supplies and/or student fees.*

### **All Grades Need:**
