Schedule changes will **not** be made to accommodate teacher requests, period requests, extracurricular or athletic activities.

A required schedule change will be made for a student who failed a course or who completed a pre-approved summer school course.

A requested schedule change will be made only if it improves the integrity of your schedule for graduation or college entrance requirements **AND** if there is space available. Schedule change requests can be addressed in August during Schedule Pick-Up Day.

Athletics

If you play a NPHS team sport, you will earn 5 credits each season toward your 20-credit PE requirement. Your sport will be added to your schedule (as a period 7) after your coach adds you to a team roster. For Athletic information, visit: www.nphsathletics.org. If you intend to play a NCAA/NAIA sport in college, it is **your** responsibility to review the following eligibility requirements:

Prerequisites

If a course requires a prerequisite or an audition, as indicated in the column next to the course title, make sure that you qualify **BEFORE** you select it. If you do not qualify, choose a different course! For more information about specific prerequisites/auditions:

Honors Placement

If you are **CURRENTLY** taking an honors course in your intended honors subject, and if you are earn a B or higher as your final grade, you may choose the next sequential honors course. If you are **NOT** currently taking an honors course in your intended subject, you must earn an A in all final marking periods. If you do not earn an A in all final marking periods, you need to complete an [Academic Waiver Form](#).
