CEC

Most CEC classes are year-long, are off-campus, and require a free 5th *and* 6th period. To learn more about CEC classes, click HERE! To register for a CEC class, follow these instructions. Because you will not know if you are accepted into the CEC class for which you applied until after your course selections are due, choose your NP classes as if you are not in a CEC class. If/after you are able to register for a CEC class, let your counselor know so that he or she can adjust your NP schedule accordingly.

Seniors Who Want an Unscheduled Period MUST be enrolled in 50 credits for the school year and obtain parent/guardian signature.
