

COURSE TITLE: Concert Choir Period 0 - Mixed

| Level of Difficulty | Estimated Homework | Prerequisites |
|---------------------|--------------------|---|
| Moderate | 0-30 Minutes | District: Instructor Permission Department Suggestion: Instructor Permission |

Course Description:

Concert Choir consists of mixed voices that learns and performs intermediate to advanced level choral music of varying styles throughout the school year. Performance venues are not only at Newbury Park High School, but also at other sites, both local and throughout the country. Each year the choir travels to one choral competition that requires an overnight stay and extended travel for educational purposes and academic enrichment. This class is unique because it is a performing group, an academic class, and a co-curricular activity all in one. Because of this, there are many forms which must be signed, and policies that must be followed. Concert Choir is a yearlong class and students and parents should realize that responsible commitment for the entire year is expected and that budgets are calculated upon that commitment. Concert Choir meets every day of the school year, period 0.

The progression of Choirs at NPHS is as follows:

All Singers – Concert Choir Period 0

By Audition – Advanced Treble (Vocal Ensemble Honors) Ensemble Period 5

By Audition Chamber Singers – (Vocal Ensemble Honors) Ensemble Period 6
