

**COURSE TITLE:** Color and Design

Level of Difficulty	Estimated Homework	Prerequisites
Moderate	0-30 Minutes	<b>District:</b> None <b>Department Suggestion:</b> None

**Course Description:**

This course is designed to introduce the general student population to a variety of painting techniques including watercolor, spray paint and acrylic mediums. This course introduces students to the historical and cultural background of Modern art. Students will analyze and evaluate the works modern artists, various art styles and art movements. Additional emphasis will include the basic elements and principles of design and allow the student to critically evaluate artwork made by self, peers, or professionals.

Materials cost for projects that students keep. Art Kits available for purchase at Student Store.

**Grading:**

30% of the student's grade comes from "Practice Work" (sketchbook, in class practice exercises, etc.).

50% of the student's grade comes from "Projects," which are major projects.

20% of the student's grade comes from "Work Habits," which includes the student's ability to use the valuable class time and resources wisely.

**Syllabus:**

Color & Design is a College prep class which fulfills the art requirement required by both UC and CSU schools. The focus of this class will be to introduce students to properties, theories, and judgment of Color and Design. Students will be exposed to various art media with an emphasis on painting. Students will learn about Modern art, the elements and principles of design, color theory and how to implement them in their art projects.
