

COURSE TITLE: Digital Video Production

Level of Difficulty	Estimated Homework	Prerequisites
Moderate	0-30 Minutes	District: Mass Media – C or higher Department Suggestion: Mass Media – C or higher

Course Description:

Digital Video Production is the **second course** in a three-course sequence for video production. This course provides instruction and training for students interested in careers in the video, broadcast, and film production industries. Students experience both the creative and technical aspects of filmmaking and video production in conjunction with learning about historical and contemporary traditions and conventions. Students will explore different aspects of the media and entertainment industry as it relates to potential career selections. Students achieving competency in this course will be prepared to enter a film or broadcast journalism course of study at the college level or be prepared for entry level employment in those fields.

Grading:

Grades will be comprised of Projects, Tests, and Quizzes
