

ARE YOU INTERESTED IN THE EDGE PROGRAM?

EDGE is an innovative program going into its fourth year at Redwood. It is a challenging, collaborative program designed to foster creative thinking and problem solving.

EDGE pairs students into cohorts:

- 7th-grade EDGE pairs **English** and **science**.
- 8th-grade EDGE pairs **English** and **social studies**.

If you are interested in applying for the EDGE program, please:

1. **Go to the Redwood website and click on “Counseling.” Watch the “EDGE Program Informational Webinar” from March 10th, 2021. (You can also scan the first QR code on the back of this page.)**
2. **Register for the Q&A session on Tuesday, March 22nd @ 6pm by scanning the second QR code on the back of this page.**

Note that EDGE is taught at an **Honors level**, but it is open to all students who fill out the **application** (March 25th or March 29th, on campus) and **interview** with the EDGE teachers (date TBA).

Every Discovery Generates Empowerment!
