Century Academy and Independent Study Program

Purpose of the Presentation

- Update the status of repairs of Century classrooms
- Discuss options on whether or not to move Century Academy and Independent study back to Waverly Campus
- Give the Board of Education and the public an opportunity to provide input

Current Century Academy

- · Online curriculum
- Advisory
- Expanded onground course work
- School Community and Culture Development
- Social-emotional supports
- Serving grades 6-12

Century Academy and Independent Study Program

- Current home is at Waverly site
 - Utilizing seven portable classrooms and two interior rooms
 - Sharing site with adult education, UCP, and Postsecondary education program
- Due to mold remediation, temporarily relocated to Horizon Hills
 - Former office space for Breakthrough, current SPED offices
 - Sharing site with adult education parent program and Breakthrough
 - Required temporary bathrooms and storage

Century Update

- All repairs are complete
 - HVAC work, HEPA filtering, remove and replacement of affected areas, air scrub the areas at least 24 hours
 - Final tests to be completed this week
- Work on gutters and down spouts to control water run-off will happen during the summer

Future of Century

- 1. Return to Waverly campus
- 2. Remain at Horizon Hills
- 3. Find alternate location
 - 1. District offices
 - 2. Other District sites
- 4. Other?

Return to Waverly Campus

- Continue to share campus with other programs
- Security challenges
- Co-mingling students and adults
- Sharing restrooms with adults
- Limited growth
- Most dedicated spaces are in portable classrooms
- Estimated cost = moving costs

Remain at Horizon Hills

- Relocation of SPED staff
- Requires installation of permanent restrooms
- Growth potential
- Potential to build an identity
- Permanent classrooms
- DSA certified as a school
- Removal of portables from Waverly Campus
- Cost = \$60k moving/misc + site modernization and updates (Measure I)

Considerations

- 1. What is best for students and the learning environment
- 2. Can we find a suitable long-term home
- 3. Can we re-unite special education department with instruction
- 4. Can we take advantage of under-utilized spaces

To Establish Century Academy on the Horizon Hills Campus

- Relocate Special Education department to Janss Road
 - Re-unites SPED with Instruction and Asst. Supt. of Student Support Services
- Remove portables at Waverly
 - Reduce footprint and traffic in *
 Waverly community
- Relocate Child Nutrition and * Transportation to 667
 Rancho Conejo Road *
 - Customer oriented facility
 - Easy parking for parents

- Relocate Fiscal Services to 750 Mitchell
 - Payroll and HR would be separated
 - Parking challenges at Mitchell Road
- Other miscellaneous related moves necessary
- Moves all of business services to one location
- Makes better use of 667 Rancho Conejo and 750 Mitchell

Current department locations

Janss Road Instruction **Student Support Services Child Nutrition** Transportation **Business Services** Human **Fiscal Services**
