

# LEGO® Engineering After School Class at Lang Elementary School

01/31/2023-04/04/23

**Tuesday**

## Adventures in STEM Engineering using LEGO® materials

Grades: TK-K 1:30pm-2:30pm

\$200 for 10 classes

Course ID: 98515

Kids are already naturally gifted creators. Then they get added inspiration from our specially trained instructors. They dive into our massive collections of LEGO®. And while they build elaborate objects, structures and vehicles, they explore fundamentals principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.
