

*ASPEN ELEMENTARY SCHOOL*  
Student Supply Donation List\*  
Grade 4

Welcome to Aspen! These supplies will help support students during the year. California law guarantees students a public education free of charge, and all materials, supplies, and equipment necessary for this class will be provided without charge. We may ask for donations of materials and supplies for our classroom, but all donations are strictly voluntary. However, parent support in this regard allows our school budgets to be used for additional instructional materials. We have also found that students often take better care of materials when they have been brought from home. Please contact the Principal of our school if you have any questions or concerns about school supplies and/or student fees.

*\*This is a voluntary donation and should not exceed \$25.00*
