

PFA Aspen Elementary
“SUPPORT OUR SCHOOL”
Donation Form

Greetings Aspen Families,

Thank you to those families who have joined our Aspen PFA and donated to the “Support Our School” campaign for the **2022-2023** school year! I think we can all agree, our teachers, administrators, specialists, and staff have done a phenomenal job of engaging our students. We are reviving our Membership Drive to give an opportunity to families who have yet to join the PFA or donate to Support our School. Our goal is to have a more robust Membership Drive for the **2022-2023** year to continue to fund all the wonderful programs PFA supports.

Aspen PFA has funded critical parts of Aspen Elementary such as:

- Salaries for P.E., Dance, & Art Specialists
- Instructional funds for classroom materials
- Outdoor learning spaces
- Marquee
- Hydration stations
- IDEA Lab
- Movie Night
- Harvest Fest
- Sock Hop Dance
- Instructional Support Staff
- Science Fair and Assemblies
- End of Summer Ice Cream Social
- Mic system for MPR

The PFA remains committed to supporting our teachers, staff, and classrooms with the unique resources they may need for this **2022-2023** school year. We hope you will consider joining us in that support by becoming a member of the PFA.

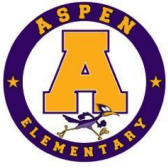

Our Goal is 100% Participation from our Aspen Families!

Every contribution, *no matter the amount*, is valued. Some key reminders about your donations:

- 100% of your donation goes back to school.
- Your donation is **tax deductible**.
- You can double your donation by asking your employer if they offer company matching (eg, some employers will match 100% of any donation of \$50 or more)
- Anyone can become an Aspen Donor – family members, friends, neighbors, businesses

Grade Level Competition!!!

The grade level with the highest percentage of participation at the end of September will earn a popsicle party!

What is Aspen Elementary PFA?

Aspen PFA (Parent Faculty Association) is a 501(c)(3) non-profit, completely volunteer-run organization. Its mission is “to assist in making our children’s educational experience the best it can be by creating an atmosphere of community, family volunteerism and teacher/parent communication, through funding that will augment a fully rounded learning experience while inviting all people in our community to be an active part of the learning experience.”

Why join Aspen PFA?

Parent and faculty PFA members become more deeply involved in the educational experience of our students. Coming to PFA meetings helps you to stay updated on what is happening at our school and gives you a voice in your child’s educational experience. Monthly meetings are held on the 2nd Tuesday each month at 7pm in the school MPR and the agenda includes a variety of topics including funding and fundraising for our school’s many special programs, equipment, and activities. While PFA members can vote on agenda items, everyone is welcome to attend PFA meetings. Our school principal provides monthly updates on school- and district-related topics, and our teacher representative provides input and updates from our faculty.

How much time commitment does PFA require?

It is up to you! Once you join PFA, there is no requirement to attend a meeting. However, if you are interested in volunteering, we have a variety of opportunities including school-based activities and at home duties. Any amount of involvement is greatly appreciated – your effort will help all Aspen students to thrive, and it will hopefully be fulfilling for you too! How to get involved:

- Come to a PFA meeting! 2nd Tuesdays of each month in the school MPR at 7pm
- Contact us at AspenRoadrunnersPFA@gmail.com for any questions or concerns
- Consider the PFA family membership fee to be able to vote at PFA meetings
- Make a tax-deductible donation to help support PFA funded programs, equipment, and activities
