

Keep Your Eyes on Excellence Have Pride in Your School, Your Work and Your Name

At Glenwood Elementary we are proud to provide a safe and nurturing environment where students can learn, grow, and succeed. Our students take part in rich and rigorous academic and technological programs – like our “Spotlight on OUR World” enrichment program. We also proudly provide students with access to state-of-the-art technology throughout their TK-5 Glenwood career!

Students learn about literature, art, culture, history and geography of the Country of the Month.

Geography comes alive as the students travel around the seven continents, collecting stamps from around the world in their special

Gator Passports.

On their journey, students will learn basic language phrases such as: please and thank you, hello and goodbye in the languages of Chinese, Spanish, French, Sign Language and more. Imagine the excitement of learning about 49 different countries during an elementary career!

Truly a passport to adventure and fun

North America
