**Public Comments:** none

**New Business**

Discussion of SPSA

- Due earlier this year in Mid-September!
- Mrs. Culpepper presented a slideshow with our five school goals and our plans to reach them (see slideshow for additional details):
  - Goal 1 - 80% mastery of ELA
  - Goal 2 - 80% mastery of Math
  - Goal 3 -student positive experience
  - Goal 4 - parent positive experience
  - Goal 5 - address learning loss
- The council discussed each of the 5 goals
- Magic Minutes will need to be removed from Goal 1 because we can't have that much mixing of students this year. Mrs. Culpepper said we will need to include a different intervention to replace it.
- Mrs. Culpepper said there is a new program for math intervention called IXL. The district purchased this for all students.
- Suggestion that perhaps we put out a survey to parents at our school to help measure parent and student positivity. This may be something SSC handled in the past and did it every 3 years. Richard is going to check the by-laws.

## Meeting Minutes

- Mrs. Culpepper showed the results of last year's benchmark testing in grades 3-5. There does not appear to be much learning loss. We are exceeding our 80% mastery goal in all grades.
- Suggestion to add ways to address social/emotional learning loss to goal 5

**Next School Site Council meeting scheduled for September 8, 2021 at 3pm**

**Meeting adjourned**
