

# WESTLAKE HIGH SCHOOL DAILY ANNOUNCEMENTS

Apr 17, 2024

Hey Warriors, it's Anthony and Sydney, and it's time for your daily announcements!!

Thank you to everyone who participated and wore black yesterday. We hope to see everyone's reusable water bottles today! Swing by the amphitheater at lunch to receive a sticker. Tomorrow is Throwback Thursday, so wear thrifted or sustainably sourced clothing.

Attention, AP Students! If you are signed up to take an AP exam in AP Computer Science Principles, AP English Language, AP English Literature, AP European History, AP U.S. History, AP Spanish, AP Chinese, and/or AP French, then you will need a school-issued Chromebook to complete your AP exam this year. Westlake High School will not have loaner devices available on the date of these exams. Students who do not currently have a school-issued device will need to prepare ahead of time by checking one out for the remainder of the school year. The checkout process is a multiday and multistep process. If you do not have a district-issued device, please go to the library as soon as possible to begin the process of checking out a district-issued Chrome book. Requests for a Chromebook will be accepted up until this Friday, April 19th. Requests received after this date are not guaranteed to be completed in time for the AP exam dates.

Hey Warriors! It's voting time. If you would like to vote for your favorite ASG Class Officers Candidates in your grade, check the 5-star app today through Thursday the 18th and submit who you think are the best candidates!

On Thursday, April 25th, Westlake HS will have a lunchtime presentation on the dangers and negative effects of vaping. There will be a table outside of the main office with a presenter who can give more information and answer questions regarding nicotine and tobacco use.

Future Juniors and Seniors! Looking for a way to start the 2024-25 school year with awesome people? Did you love WOW when you were a Freshman or wish that you had gotten to experience it? Become a WOW Counselor! Learn more about how to apply by attending the WOW Counselor Interest Meeting on April 17th at lunch in the MEZZ.

Are you interested in learning more about Construction Trades? Students are invited to attend a Construction Summer Camp June 17-21 at Thousand Oaks High School. The camp will cover carpentry, plumbing, electrical engineering, and heavy equipment. See your counselor for more information.

Put on your chef hats once again and head down to 12G during lunch tomorrow to make Sandwiches For The Homeless.
